VINEYARD

Sourced from the original 1971 plantings, these own-rooted Chardonnay vines represent the first vines in the region. This iconic north-facing site has clay-rich topsoil over silica and limestone.

TASTING NOTE

This wine is classic, both in its proportions and its ability to join the bright, lifted notes of citrus with warmer, rounder aromas of apple and spice. The palate demonstrates a combination of purity and generosity only achievable through vines of an advanced age.

Sandhi
